

*Mark-n-Cut™ Transfer Sheets* made their debut at the 2010 National Hardware Show in Las Vegas. We are proud to announce that we were honored with a Retailers' Choice Award. These prestigious awards, presented by The North America Retail Hardware Association, are used to recognize the most unique and innovative products at the show.

*Hardware Retailing* magazine has been sponsoring the event for more than 30 years in conjunction with the National Hardware Show. Each year there are just over 30 products chosen for excellence out of the 1,000's displayed on the showroom floor. Winners are selected by a panel of home improvement retailers who volunteer their time to serve as judges and choose products that they feel are truly unique and hold sales potential for their stores.

As a 2010 Retailers' Choice Award winner, *Mark-n-Cut™ Transfer Sheets* will be featured in a special Retailers' Choice section in the July 2010 issue of *Hardware Retailing* magazine.
